Power Squadron to Offer Boating Course

Registration for the United States' Power Squadron's boating course will be held at 7:30 pm on Tuesday, September 15 at Old Rochester Regional High School (Route 6 in Mattapoisett near the Marion/Mattapoisett line). Boaters can save on insurance if they take a basic boating course such as this one. Statistically, boating course graduates have good safety records, making them better risks for marine insurance companies. In addition, all boaters 16 years of age and under are now required to pass a boating course in order to operate motor boats of any horsepower. This requirement should be an incentive for young people to sign up for this basic boating course!

In the six two-hour sessions of the course, students will be introduced to the basics of 14 subjects: reading charts and understanding aids-to-navigation, safe boat operation, elementary seamanship, navigation (rules of the road), sailing, engine trouble-shooting, course plotting practice, equipment required by state and federal regulations, radio-telephone procedures, boat handling, docking and undocking, weather prediction, trailering your boat, and elementary marlinspike seamanship (tying knots that hold). The seventh session is the final exam. A United States Power Squadron Certificate of Completion is awarded to everyone who completes the course and passes the final exam.

Anyone is welcome to sign up for the course. There are no age restrictions, and boat ownership is not required. Instruction is FREE, the only costs being for materials plus \$5 to help defray the cost of classroom rental. Prices for materials, including sales tax, are as follows:

- Boating Course Complete Kit - \$26.50 (includes student manual, course plotter, and dividers for those starting from scratch);
- Student Manual only - \$15 (for those who already have plotting equipment);
- Extra set of homework questions - \$4 (in case more than one family member is taking the course, one set is required for each additional family member);
- Practice chart and practice rope - \$3.

The total cost if you have no equipment at all is \$34.50 for materials and classroom rental. For more information please contact one of the following Mattapoisett Power Squadron representatives: Ed Lewis (758-3876), Dick Fearing (748-1890), Bob Coburn (947-4462), Ralph Parker (995-9204), or Mary True (763-5241).

Sippican Lands Trust

Celebrating Open Space in Marion

On August 27 from 5:00 to 8:00 pm, the Town of Marion will enjoy a clambake and great music at one of its favorite open spaces, Silvershell Beach. Hosted by the Sippican Lands Trust (SLT), this "all-town block party" will provide Rhythm 'N' Blues, clams, lobster, (or steak/chicken) and a whole lot more, including a kid's BBQ. Superb music will be provided by the area's renowned Blu Lobsta.

Thanks to the generosity of the patrons and corporate sponsors of the Sippican Lands Trust, they are able to offer tickets to this great event at a reasonable price. Tickets will be sold at the Marion General Store, The Bookstall, or at the Sippican Lands Trust office (589 Mill Street) for \$30 (clambake) and \$8 (children's BBQ).

Music and drinks begin at 5:00 pm, and the grills open at 6:15. Bring your friends and house guests for a delightful summer evening of good food, great entertainment, convivial socializing, and dancing barefoot in the sand!

The SLT has just completed its most active and successful year ever, including the recent acquisition of the Hagemann Woods property, the cutting of three new trails on the Peirson 30, Howland Marsh, and Brainard properties, and the organizing of a successful Earth Day cleanup on April 18. According to the organization's recent annual report, they have added about 75 new

Cover insert: Marion's Silvershell Beach was bustling with activity this past week as residents enjoyed the waning days of summer. The Sippican Lands Trust will be hosting an "all-town block party" at the beach on Thursday, August 27 from 5:00 to 8:00 pm to celebrate open space. The clambake and chicken BBQ will also feature rhythm and blues provided by the Blu Lobsta Band. (Photo by Kenneth J. Souza).

Mattapoisett Selectmen's Meeting

August 18, 1998

By Kenneth J. Souza

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, August 18 at 7:00 pm by Chairman Paul Lambalot. Also present were Selectman Michele C. Bernier, Selectman Barry Denham, and Executive Secretary Carol Adams.

After approving the minutes of the August 4

meeting (with Selectman Bernier abstaining), the board met with Gary Sawyer, Chairman of the Recreation Committee, to inform the board that members of the Mattapoissett Little League team recently won the All-Stars Little League Championship tournament held in Rochester, marking the first time that the town team has won since 1983.

As such, a championship trophy will be kept on display at the Mattapoissett Town Hall until next year's tournament. The team was comprised of 12-year-olds from throughout the area, and Mr. Sawyer noted that it was great for the kids to win this title. "It's also a good opportunity to recognize not only the players, but all the parents and volunteers who devote time to the Little League program," he said.

The board wished to remind residents that a Special Town Meeting will be held on Monday, August 24 at 7:30 pm at Old Rochester Regional High School. Ms. Adams also advised that the next regional Tri-Town Selectmen's Meeting has been rescheduled to Wednesday,

September 16 at 7:00 pm at the Rochester Town Hall.

At 7:20 pm the board met with Chairman Diane Perry and the members of the town's Commission on Disabilities (COD) to discuss several pending issues. First, commission member Lisa Yauch-Cadden wanted to know if the board would reconsider their reluctance to provide a separate telephone line at Town Hall for the COD. "My impression was that all town committees and boards had separate phone lines to help keep the line of communications open between them and residents," Ms. Yauch-Cadden said.

Chairman Lambalot said that although he still has reservations about the move, he knows Selectman Bernier is in favor of giving the COD their own phone line. "I'm still not convinced of the need for a separate phone line," he said, "but I'm willing to agree to it if it will help move things along."

Selectman Denham reluctantly agreed. "I've made my opinion known in the past," he said. "But I'm willing to go along with the other board members to make it unanimous."

The COD also requested that the board make them aware of any future Selectmen's meetings where pertinent COD or Americans with Disabilities Act (ADA) issues are on the agenda so they might attend; and also reminded them that when reviewing proposals for future town properties, a strict adherence to ADA guidelines must be kept. Lastly, the COD impressed on the board to work toward appointing an ADA Coordinator as soon as possible.

"We should probably make that the highlight of our next Tri-Town Selectmen's meeting," Chairman Lambalot said. "That's an open meeting, and we welcome

At 8:00 pm the board met with Police Chief James Moran, Fire Chief Ronald Scott, Harbormaster/Wharf Commissioner Steve Mach, and Police Lieutenant Ed Pina to discuss town-wide emergency procedures and rescue protocols as per the board's request. Chief Moran noted that they had a series of meetings to review and outline the procedures which affect both the police and fire departments. "There are some duties or situations which are common only to the police or fire department," Chief Moran said. "We only addressed procedures in which both departments are involved."

The department heads presented the board with a

complete breakdown of all emergency calls which are received at the Communications Center and what procedure should be followed. Some of the most important changes were made in regards to maritime emergency calls from the Harbormaster's office, where police officers will now be taken out to boats in the harbor to provide medical assistance. "I think this will eliminate some of the confusion we've had in the past," Chief Moran said. "This information will be provided to all dispatchers at the Communications Center."

Selectman Bernier asked that a complete copy of this policy be kept on file at Town Hall. Chief Moran added that they plan on meeting quarterly to make any changes or alterations to the policy as needed.

At 8:20 pm the board met with residents and members of the Leisure Shore Beach Association and Bob Ringuette, proprietor of Leisure Shores Marina, to discuss emergency procedures in the event of a hurricane to remove boats from the marina. Wayne Junier, President of the Leisure Shore Beach Association, sent a letter to the board saying they had concerns over Mr. Ringuette locating the boats along the streets of the neighborhood.

"Should a boat be blown off its stand and leak gas into the ground and contaminate the well water ... who would be accountable and who will pay for the clean up?" Mr. Junier asked. "Should a boat be blown off its

Essentially, the residents present wanted to know if some other alternative plan could be devised so that the boats do not cause potential damage to their property or lives. There was also some question as to liability if a boat were to damage an automobile or home.

Chairman Lambalot noted that at their September 16, 1996 meeting, Mr. Ringuette agreed to place the boats which were pulled from the water on property at the end of Brandt Island Road owned by the Caton family. But Mr. Ringuette said that access to the property was difficult, and he consulted with Fire Chief Scott who agreed the

boats could be placed along the road as long as they didn't block driveways or obstruct access to emergency vehicles.

Selectman Denham said he wouldn't participate in the discussion further since he has had previous business dealings with Mr. Ringuette.

Harbormaster Steve Mach suggested that Mr. Ringuette might want to consider asking the Caton family if the property could be graded to improve the access for boat trailers. He also suggested that Mr. Ringuette might want to check with the owners of the parking lot at the top of Brandt Island Road on Route 6 near the pet store to see if some of the boats could be stored there in an emergency. "Maybe you can make a deal with the owner of that lot ... I know it's a bit far, but there's no danger of flooding or property damage," Mr. Mach said.

After hearing from residents further, the board agreed that some type of alternate plan needed to be put in place for the temporary storage of said boats. Allowing them to be placed along the road presents a potential hazard within the flood zone to both persons and property. "I'd like to suggest that Mr. Ringuette look into alternatives and provide us with a plan that addresses the concerns of residents while allowing him to store the boats safely," Chairman Lambalot said. "I'd also suggest that he run the plan by the police chief, fire chief, and harbormaster and provide exact locations where you will

Chairman Lambalot asked that Mr. Ringuette prepare a detailed plan for their next meeting, slated for Tuesday, September 1, and he also invited all the residents and members of the Leisure Shore Beach Association to return to review the proposal. "I don't see why we all can't get together and work on this amicably," he said.

Under incoming correspondence for the week, the board received:

- Letter from Donna M. Fernandes and Pierre Bernier objecting to the erection of a street sign (Holly Hollow Lane) at the border of their property on 159 North Street. "This narrow, dirt lane runs across our property and has been used as a right-of-way," the letter stated. "It is our understanding that private property is not taken for town streets without notice to the owners of said property. It is also our understanding that accepted roads must meet certain specifications. We demand this sign be removed immediately. We have no intention of naming a

Selectman Denham said he would like to look into this matter further, as he understands that Highway Surveyor Wesley Bowman installed the sign for safety reasons to allow emergency personnel to find the location. "I think the sign should remain until we determine where it should be," he said. "I'd like to see the layout of the property first." Selectman Bernier added that they should obtain a copy of the property deed.

• Notice from the Mattapoisett Recreation Committee that the 1998-1999 Basketball Program will begin shortly for boys and girls senior divisions (Grades 7 and 8) in the fall and the boys and girls junior divisions (Grades 5 and 6) in early January. There will also be instruction leagues for boys and girls (Grades 3 and 4) for early January.

Seventh and eighth graders from Mattapoisett, Marion and Rochester can sign up on September 14 and 15 in the Old Rochester Regional Junior High School gymnasium. Tryouts will take place on September 22 at ORR Junior High School with practices scheduled to begin on September 26.

At 9:00 pm the board voted to go into Executive Session with Town Counsel Thomas Crotty to discuss pending litigation matters. They would thereafter adjourn for the evening.

Rochester Selectmen's Meeting

August 17, 1998

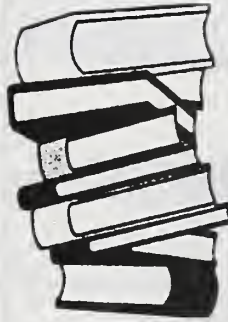

By Kenneth J. Souza

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, August 17 at 7:00 pm by Chairman Richard D. Cutler. Also present were Selectman Naida L. Parker, Selectman Patricia E. Ryan, Executive Secretary Russell Dean, and Administrative Assistant Veronica Lafreniere.

After approving the minutes of the August 3 meeting (with Selectman Ryan abstaining), the board read and accepted a letter of resignation from Jean Fennell, who is stepping down from her position with the Council on Aging (COA). Ms. Fennell is leaving the area, but noted "it gave me pleasure to serve on the (COA) board and other commitments in Rochester while I resided here ... I will remember the kindness and friendship of everyone."

Selectman Parker moved to accept Ms. Fennell's resignation and asked that a letter of appreciation be sent to her for her years of service to the town. The board

unanimously approved the motion.

At 7:05 pm, Chairman Cutler opened a dog hearing upon a complaint from James E. Vogel and his wife of Hiller Road against Harold Mendoza, also of Hiller Road. It seems that the alleged incessant barking caused by Mr. Mendoza's nine dogs has once again forced the Vogels to file a complaint, and Selectman Cutler noted that this was a problem he had hoped was solved once and for all.

Chairman Cutler noted that Mr. Mendoza had been notified to attend the meeting — as were eight directly abutting neighbors — but he had called and said he would not be attending.

"I clearly would like some type of resolve to this situation which has been going on for a year and a half," Mr. Vogel said. "I would like some closure to this tonight ... I feel there's enough information to warrant a decision."

Selectman Ryan noted that the last complaint and related hearing was held on December 3, and there weren't any further complaints filed until May 8 of this year. "Did the dogs not bark during that period?" she asked.

Mr. Vogel explained that for the bulk of that time, Mr. Mendoza had boarded the dogs at another location. "The dogs were off (Mr. Mendoza's) premises for a period of time ... which is why there weren't any complaints," he said. "We had guests Sunday at our home, and we were unable to hear each other speak — the barking was so

loud. These are hound dogs, meant for hunting. There are nine hounds located just 100 feet from our property ... and we've had to endure this for a year and a half."

Chairman Cutler noted that at the conclusion of the last hearing, the Mendozas had agreed to alternately keep the dogs boarded elsewhere or make attempts to keep them quiet. "It seems that we may need to suggest other options," he said.

Clearly exasperated, Mr. Vogel admitted that he wasn't trying to cause problems or force his neighbors to get rid of their dogs. "We're not unreasonable people ... we love animals and have dogs of our own," he said. "We have just reached a point where our home is becoming unliveable. Mr. Vogel has made an attempt to quiet them

down ... but they just start up again."

After hearing from two other neighbors who concurred with Mr. Vogel's assessment, Chairman Cutler noted they have limited options under Massachusetts General Laws, Chapter 140, Section 157. "We can ask that the dogs be removed ... and Mr. Mendoza has ten days to appeal our decision with the district court," he said. "It seems to me the kennel license is not the issue here ... it's the barking of the dogs."

Based on the testimony presented and the record of past complaints, Selectman Ryan moved that they order the dogs be removed from Mr. Mendoza's property within 30 days as per MGL Chapter 140, Section 157. This would mean that Mr. Mendoza has until August 27 to file an appeal or until September 16 to remove the hounds from his property. The board unanimously approved the motion.

Under incoming correspondence for the week, the board received information from the Massachusetts Executive Office of Environmental Affairs (EOEA), soliciting nominations for their first annual Governors Recognition Awards for Open Space Preservation. Town residents and officials may nominate individuals or organizations for this honor, and nominations must be received by September 30 for presentation on October 15. Selectman Ryan moved that the board nominate Georgia Chamberlain for her years of work with the Conservation Commission and protecting open space in Rochester. The board unanimously approved the nomination, and also asked that this information be sent to the Rochester Lands Trust for their recommendation.

The Rochester Board of Health submitted notice of a Public Hearing to be held on September 2 at 6:30 pm regarding the proposed modification of the site assignment at the SEMASS Resource Recovery Facility.

This entails the establishment of a Convenience Center to receive residential waste and recyclable material from the residents of Carver, Marion, Wareham and Rochester from 8:00 am to 4:00 pm, Tuesday through Saturday. The location proposed would be on the northeast side of the area previously used for parking and storage.

The Massachusetts Department of Revenue (DOR) sent notification to the town that they will be receiving an additional \$35,254 in lottery receipts for fiscal year 1998 which may be used to apply to estimated receipts in setting the tax rate, appropriated as available funding for FY99, or close the fund balance (Free Cash) at the end of FY99.

Selectman Ryan moved that the Finance Committee (FinCom) be given this information and to recommend that they establish a Capital Projects Fund with this surplus. "You never know what projects we may need to undertake down the road," she said. "This will give us a source for future capital projects." The board unanimously approved Selectman Ryan's motion.

Fred and Nancy Underhill of North Avenue sent a letter of appreciation to the board regarding the Rochester Highway Department's recent work on North Avenue and Neck Road. "So many times people write letters to complain ... I am taking this opportunity to (commend) ... Jeff Eldridge and his crew for an outstanding job they did re-doing North Avenue and part of Neck Road," the letter stated. "We feel an excellent job was done by professional town employees."

Highway Surveyor Jeff Eldridge next came before the board to seek their advice on several issues, including:

- Neck Road/North Avenue - Mr. Eldridge suggested that the intersection of these roads where a triangular by-pass is located should be made a one-way since large trucks are having difficulty making the turn

with an adjacent telephone pole nearby. The board unanimously authorized Mr. Eldridge to post the appropriate signs at the location making it a "one way."

• Braley Hill Road - Mr. Eldridge noted that the resurfacing of this road from North Avenue to the Lakeville town line is within his five-year plan, but since Lakeville recently resurfaced their section, people have been noticing how bad the road is. He suggested the road could be redone in about two weeks at an estimated cost of \$230,000. The board felt that such a large project should be placed on the next Annual Town Meeting warrant. "I personally would like to see the road done right from scratch," Selectman Ryan said. "It seems to me that it should be placed on the next Annual Town Meeting

WRONG PRICING PREDICTABLE

Human nature is predictable. There is a better than even chance that you'll put the wrong selling price on your home if you try to arrive at it yourself.

There are many reasons why you could price it far above its fair market value. You could put too much stock in the astronomical prices you hear that neighbors are asking for their homes. (Funny how you never hear about how much they actually sell for). You could over-price it from sentimental attachment, expenditures you have made, or by heeding a well-meaning friend's advice. A

home remaining on the market for months due to over-pricing, frequently becomes a "White Elephant." It eventually sells for a much lower figure than it would have brought originally — had it been priced realistically.

On the other hand, you might under-price it because of unfamiliarity with the local market. This would be a financial folly. Your safest bet is to list your home with our office. We will help you price it correctly from the start and sell it for the best profit.

warrant for fiscal year, 2000."

• Mr. Eldridge has a Highway Department employee who is at Step 10, which is the top step for municipal employees as established under the Personnel By-Law. "I was told (by the Personnel Board) that we couldn't give step increases over that level," Mr. Eldridge said. "Everyone else got their 2.25 percent increase, but he didn't get one for this year."

The board agreed that they needed to revisit the Personnel By-Law as written to address such issues. In the meantime, they agreed to meet with the Personnel Board to suggest that a Step 11 be added as an interim solution until this matter can be amended in the by-laws. With that, Selectman Ryan moved that they invite the Personnel Board in to their next regular meeting and suggest that an article be placed on the Annual Town Meeting warrant to amend the Personnel By-Law. The motion was unanimously approved by the board.

The board next considered the recommendation made by Police Chief Walter Denham to reorganize his department by creating three sergeant positions and eliminate the rank of lieutenant. Selectman Ryan had a couple points which she felt needed to be clarified in the proposed policy.

"I would only be able to support this if it specifies that there will be a sergeant on duty on every shift," she said. "I also want to know if these are going to be working shifts ... or are they going to be sitting behind desks all day long?"

Chairman Cutler said it was his understanding from Chief Denham that these would, in fact, be working shifts. He also suggested that the one-sergeant-per-shift stipulation be included in their motion. With that, Selectman Ryan moved that they endorse Chief Denham's recommendation for reorganizing the police department provided that there is no more than one sergeant on each shift and that they are "working sergeants." The motion was unanimously approved by the board.

The board then reviewed Chief Denham proposed "Procedure for the Promotion to the Rank of Sergeant," making their own suggestions and recommendations. The board agreed on the following:

- Candidates eligible to apply for the rank of sergeant must have at least three consecutive years of experience as a full-time police officer with the Town of Rochester. The ranking of candidates will be based on a written examination (50 percent), education and experience (30 percent), and an interview (20 percent).

- A written promotional exam shall be selected by the Chief of Police and prepared by an outside agency. A 90-day notice will be given prior to the exam. A passing score will be 70 percent (or 35 out of 50 possible points). Test results may be kept on file for up to six months.

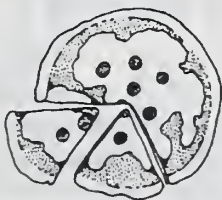

- Candidates will be awarded one point for each full year of completed service as a full-time police officer after the required three years and not to exceed five years (i.e. four years = one point; five years = two points; six years = three points; seven years = four points; eight or

The panel will make their recommendation to the Board of Selectmen and Police Chief.

There being no further matters to come before the board, they voted to recess until 9:00 am on Tuesday, August 18 to discuss an interim Executive Secretary position and a pending legal matter in Executive Session. Their next regular meeting will be held on Monday, August 31 at 7:00 pm.

Jay Gould, DVM

FELINE HEARTWORMS

Can my cat get heartworms?

Unfortunately, yes. Cats that go outdoors and are bitten by mosquitos are at risk of developing heartworms.

I thought that dogs were the only animals to get heartworms.

Dogs and cats, as well as ferrets can get heartworms.

What are the signs of heartworms in cats?

Sudden difficulty breathing, sometimes leading to death occurs occasionally. Other signs include coughing, gagging, vomiting and weight loss.

What should I do about heartworms in my cat?

If your cat goes outdoors, talk to your veterinarian about heartworm testing and giving your cat a once a month heartworm preventative.

Letters to the Editor

To the Editor:

Recently the Marion Emergency Medical Service purchased cardiac defibrillators for the police to carry on their cruisers. Two lives, so far, have been saved — my husband's being one of them.

I want to publicly express our appreciation to the EMS for their foresight and generosity in purchasing the defibrillators and to the Police Department for their willingness to use them.

I also want to thank all involved in my husband's rescue for their fast response, help and kindness. We are truly fortunate and will be eternally grateful to all of those who helped.

Sincerely,

To the Editor:

Old Rochester Regional High School hosts a summer basketball league which consists of area Junior High and Middle Schools and High Schools from Carver to Dartmouth. The competition is very talented from a great bunch of girls who are divided into a Junior Division which has eight teams and a Senior Division which has 10 teams.

The only disappointment from watching these girls play their hearts out is why when the "All Stars" were picked every team had at least one "All Star" except for three out of the four Fairhaven teams. Not one girl from the two Fairhaven Senior teams and one Fairhaven Junior team were chosen as an "All Star." Some teams had two or three "All Stars." This shows a lack of respect to the person or persons who chose this "All

Friends of the Elderly - Mattapoisett

The Annual Senior Picnic sponsored by the Friends of the Elderly was held Saturday in Mattapoisett. There were approximately 80 people attending and hopefully all had a good time. Entertainment was provided by Janet Liljedahl who very aptly sang songs remembered by all. Many door prizes were given out and also the drawing for the Mattapoisett lamp was held. The lucky winner is Janie Brackett of Seekonk. A copy of George Avila's book was also given to Ms. Liljedahl in gratitude for the time spent with the Friends' group.

Rochester Conservation Commission (ConCom) in order to provide a forum for questions that neighbors may have about cranberry farming.

Such topics will include: "Why do you use helicopters?"; "How is water used in the cranberry production?"; "Why are there flags on the bog?"; and "Who regulates pesticide usage?" These are questions heard by the ConCom from neighbors of cranberry bogs. The ConCom recognizes that although neighbors and growers share surrounding areas, they don't always take the time to learn and appreciate the differences. The ConCom has invited regional professionals to talk about common farm practices, pesticides/fertilizers, and wetlands issues. At least one hour will be devoted to questions and answers.

This invitation is being sent to over 500 neighbors and growers who live within 200 feet of a cranberry bog. If you know of any friends or neighbors who might be interested, please tell them about the meeting. Refreshments will be served.

Marion Concert Band

The Marion Concert Band will present a Young People's Concert on Monday, August 24. The program, which has been rescheduled from last week due to inclement weather, will include a storyteller and the selection of a guest conductor from among the children in the audience. Selections will include:

"National Anthem," "Band of America March" (P. Laval), "Looney Tunes Overture" (B. Holcombe), "Under the Sea" from "The Little Mermaid" (A. Menken), "Pass Me By" from "Father Goose" (C. Coleman), "Jack and the Beanstalk" (C. Coons) featuring storyteller Paul D'Angelo, "Walt Disney Overture" (J. Christensen), "Children's March" (E. F. Goldman).

After a brief intermission, the concert will resume

Harpoon Harmonizers in Acushnet

The award-winning barbershop group, The Harpoon Harmonizers, will perform once more at their favorite venue, the Long Plain Friends Meetinghouse, 1341 Main Street in Acushnet on Saturday, August 29 at 7:00 pm. The final concert of the 1998 season of the free "Music at the Meetinghouse" series will once again feature the Harmonizers, the most popular performing group of its 11-year history, in a nostalgic program on the lawn under the century-old hickory tree.

As usual, audiences are requested to bring a folding chair or blanket (or even a picnic supper). Free refreshments are served during intermission and free tours of the Quaker Museum are offered beginning at 5:30 pm.

Rochester Recycling Program

Recyclables are picked up twice a month in Rochester on Thursday. Acceptable items include: clean dry newspapers, newspaper inserts, magazines, phone books, soda bottles (#1), liquor bottles (#1), detergent bottles (#2), milk jugs (#2), glass jars (brown, clear and green), aluminum and tin cans (food containers only). They have also recently added corrugated cardboard to the list which is picked up once a month on Thursday (Route 1 and 3 on the third Thursday, Route 2 and 4 on the fourth Thursday).

The program does NOT accept: plastic bags or ties, junk mail, other plastic containers (#3, #4, #5, #6, or #7), eating utensils, film bags, polystyrene, juice packs, milk cartons, motor oil or chemical containers, paint cans, aerosol cans, caps and lids, plate glass and mirrors, ceramics and statuettes, dinnerware or china, decorated bottles, or light bulbs and tubes.

Residents are asked to crush all cardboard boxes flat and tie them together to prevent blowing around, to place mixed recyclables in the recycling bin, to place newspapers in a separate recycling bin or in paper bags, to place magazines in bags or bin with newspapers or tie them separately, to rinse and drain all containers so they are free of food, and place all recyclables on the curb by 7:00 am for pick up.

Pick up for Route 1 will be on the first and third Tuesday of the month. These areas include: Andrew Burke Lane, Ashley Brook Lane, Bradford Estates, Braley Hill Road, Briarwood Lane, Dr. Braley Road, Featherbed Lane, Hartley Road, Neck Road, North Avenue, Old Orchard Estates, Pauline's Way, Pine Street, Quaker Lane, Robinson Road, Snipatuit Pond Estates, Snipatuit Road (Hartley Road to North Avenue), Snow's Pond Road, Taber Lane, Winfield Street, and Wordell Street.

Pick up for Route 2 will be made on the second and fourth Tuesday of the month. These areas include: Bates Road, Burgess Avenue, Clark Court, County Road, Cranberry Highway, Cross Road, High Street, Hiller

Hospice Volunteers Needed

The fall training program for new Hospice of Community Nurse volunteers will be held two days a week starting the first week in October and will continue for six weeks. Hospice staff will present such subjects as basics of terminal care, death and dying, patient care, family concerns, bereavement and spiritual issues. The training is designed to help volunteers provide friendship, support and practical assistance to terminally-ill patients and their families.

No commitment is requested until after completion of the training, and volunteers may donate as little as a few hours of their time each week to fit their personal schedules. The Hospice of Community Nurse Association of Fairhaven, Inc. offers complete at-home care, without regard to age, race, religion, diagnosis, or ability to pay, to terminally-ill persons and their families in the towns of Acushnet, Dartmouth, Fairhaven, Freetown, Marion, Mattapoisett, New Bedford, and Rochester. To register or for more information, please call Gay Garnett, coordinator of volunteers, at 999-3400.

works in a different print medium with styles unique to their personal interpretations of flowers, landscapes, objects and other images.

Sandra Bilodeau has been working in silk screen printing for the past six years. She has taken various art courses at UMass Dartmouth for the past 17 years and recently decided to concentrate on silk screening. She lives in Mattapoisett and has a studio in her home. This is her first show in a three-person exhibit.

Mary Cleeves Dawson received a BS in Painting and Design from Carnegie Institute of Technology. She later studied collagraph printmaking at New England School of Art and Design in Boston with Mary Ann Wenniger. Collagraphs are one of Ms. Dawson's favorite media. She was selected for the Channel 2 Collection in 1981 and 1982, and she resides in Marion and has a studio there.

Gail Marie Nauen is a graphic designer and printmaker who works out of her Old Main Street home in Carver, MA. Ms. Nauen primarily works in monotypes and oil bar on paper. Several years ago Ms. Nauen decided to focus on local landscapes, especially the cranberry bogs.

The show will be installed in both galleries at the Marion Art Center through September 2. Gallery hours are Tuesday through Friday, 1:00 to 5:00 pm, and Saturday, 10:00 am to 2:00 pm. Admission is FREE and the Art Center is located at the corner of Main and Pleasant Streets in Marion. For more information, please call 748-1266.

Mattapoisett History Museum

History of Harbor Continues

Because of the interest shown in the current "History of the Harbor" exhibit at the Mattapoisett Museum and Carriage House, they are keeping the exhibit up through the end of August. The recent "History Days at Harbor Days" saw some 263 people visit the museum and marvel at the fine collection of Mattapoisett history that is here. The museum staff thanks all those who came to visit and hopes it will result in more visits and more memberships.

The Mattapoisett Museum and Carriage House will be open through August 29 on Tuesday through Saturday from 1:00 to 4:30 pm. Admission is \$2 for adults and 50 cents for children. Don't forget they also have a small gift corner with such things as self-guiding walking tours of the village, note paper, postcards of Mattapoisett scenes, the new "History is Here" t-shirts, and other items of historical interest.

High School District is seeking community members to serve on its School Council. Community members must reside in the towns of Acushnet, Carver, Lakeville, Mattapoisett, or Rochester. The School Council is a representative, school-building based committee comprised of the principal, parents, teachers, community members and students. If interested in serving on the council, please call Mr. Gary Brown at 763-8011, extension 118.

Water Program

The Department of Environmental Protection (DEP) Division of Water Supply recently recognized Old Colony Regional Vocational Technical High School in its 1998 Public Water System Certification Program. The program identified the Old Colony Water System in the top 15 percent in the state. In recognizing Old Colony, the DEP recognized the school's ability to consistently provide high-quality drinking water to the students and staff. In particular, Supervisor of Buildings and Grounds William Hubbard and his staff were complimented on their efforts.

Acushnet Apple-Peach Pageant

The Acushnet Lions Club will again this year be hosting the Apple-Peach Pageant. This year's pageant will be held on Friday, September 11 at the Acushnet Elementary School beginning at 7:00 pm. All girls between the ages of 15 and 17 who are Acushnet residents are welcomed to participate. Applications are now available by calling Diane Barlow at 998-3908. Deadline for applications will be August 25. The Miss New Bedford Troupe will also be performing this year.

way into Mattapoisett Harbor for over 160 years. Built of rubble stone, with hand-hewn granite interior steps, its lamps were first lit on March 21, 1838.

The Town of Mattapoisett purchased the land around the lighthouse to create "Veterans of Mattapoisett Memorial Park" in 1952, but the Coast Guard still owns the lighthouse and .17 acre of land. Members of the U.S. Coast Guard Auxiliary Flotilla 67, First District Northern Region adopted the lighthouse in 1993 and members of the "Lighthouse Team," under the direction of Lighthouse Keeper Clayton Hagy, soon began opening it to the public for tours.

This year the lighthouse will be open every Thursday in August from 10:00 am to 12:00 noon. There is no charge for the tours, and each child must be

OLD ROCHESTER REGIONAL SCHOOL DISTRICT MASSACHUSETTS SCHOOL SUPERINTENDENCY UNION 55 MARION - MATTAPOISETT - ROCHESTER

NOTICE TO PARENTS

Below are the school bus routes for the Old Rochester Regional School District and Massachusetts School Superintendency Union 55 for the Towns of Marion, Mattapoisett and Rochester for the 98/99 school year. Routes have been modified slightly to accommodate new membership. Any questions regarding the bus routes and stops which affects your child, should be addressed to Andrew J. Santos Associate Superintendent for Business, at 758-2772 extension 12 or to your school building principal.

LATE BUSES

There shall be late 3:30 p. m. buses on Tuesday, Wednesday and Thursday **ONLY** and daily at 5:30 p. m. from the Junior and Senior High Schools. Please note that late bus routes as listed have been premised on express services to specific stops in the respective towns. A student riding the late bus can select a stop that is no greater than 2 miles from his/her home. In some instances, this will require prior planning on the part of parents to pick up their child from these predetermined stops.

VIDEO CAMERAS

The School Committee after having carefully weighted and balanced the rights of privacy of students and drivers with the district's duty to ensure discipline, health, welfare and safety of staff and students on school transportation vehicles, authorized the use of video cameras on its transportation vehicles.

MOVIE REVIEW

Unappeeling

BY ROB GONSALVES
local@wanderer.com

■ **The Avengers.** Starring Ralph Fiennes, Uma Thurman, and Sean Connery. Directed by Jeremiah Chechik. Running time: 110 minutes. MPAA rating: PG-13. At Cinema 12 at the North Dartmouth Mall.

The Avengers is so thoroughly and consistently awful that I've actually wasted some time wondering whether its makers intended it that way. If so, the movie is brilliant — a successful blend of terrible acting, a flat-out incomprehensible plot, groan-inducing dialogue, ridiculous action sequences, and artistic failures on every level. It may well have a second life on video as an Ed Wood movie for the '90's, a Cheez Whiz fiasco to rent and guffaw at with a bunch of derisive friends. In fact, let's look at it from another angle: Why is this movie so bad? Some theories:

- Ralph Fiennes, who plays secret agent John Steed (the role filled by Patrick Macnee in the BBC-TV series), must have grown tired of giving good performances. So he decided to phone in his performance as Steed, reciting his lines in a dull upper-class monotone occasionally punctuated with a smug little smirk. The result is stunning — the worst acting by a great actor since Al Pacino in *Revolution*, though unlike Al, Ralph doesn't get to deliver a line as fabulously dimwitted as "My mouth belongs anywhere I put it."

- Uma Thurman obviously wanted to undercut her sex-symbol image by making herself look really stupid. She does this in *The Avengers* by pouring herself into her Emma Peel suit (and I gotta say, Elizabeth Hurley in *Austin Powers* wore it better), affecting a now-you-hear-it-now-you-don't English accent, and playing a delirious scene in a straitjacket that will certainly get the movie a spot in *Movieline's* "Bad Movies We Love" column.

- After years of watching other actors ham it up as Bond villains, Sean Connery must have wanted to try it himself. As Sir August de Winter, who wants to control the weather all over the planet, he's a real glazed ham, all right. I mean, you stare at him in this movie and you think "My God, he doesn't even seem like Sean Connery." Dr. Evil

had more dignity than this. Sean's lowlight comes early, when he's addressing a roomful of henchmen dressed in ... you ready? ... teddy-bear costumes. Connery also wears one, though he takes the head off so we can see who he is. He should've left it on.

- Director Jeremiah Chechik apparently was curious to see if he could make a movie worse than his remake of *Diabolique*. After a wide search (so goes my theory), he settled on the *Avengers* script by Don MacPherson, who fills entire scenes with rapid-fire repartee that's meant to be witty but so painfully isn't. MacPherson also knows a knee-slapping pun when he sees one. Walking through a shrubbery maze like the one in *The Shining*, Emma Peel says "It's amazing." *Ha ha ha! Get it? A-maze-ing?* And there are just so many more like it!

- Having read this masterpiece of stupidity, Chechik (still according to my theory) rushed headlong into production, making sure to pace every scene like a snail crawling up a mountain of flypaper backwards; also taking extra care to make each big set-piece as stupefyingly implausible as possible, from the robot wasps to the magnificently brain-damaged climax, in which Steed and de Winter duke it out on a metal bridge during a thunderstorm. Guys, there's this thing called "indoors." It's a safer place to be when you're fighting each other with metal objects during a storm.

- Finally, Warner Bros. must have monitored this production at every step of incompetence along the way — from the script to the dailies to the final cut — and decided to release it anyway. Since Warner is coming off a devastating year full of megabudget flops like *The Postman* and *Sphere*, their commitment to a movie that makes *The Postman* look like *Battleship Potemkin* brings tears of admiration (or are those tears of laughter?) to my eyes. Yes, everyone involved with the making of *The Avengers* has pooled their talents to make something very special. We have to recognize perfection in all its forms, wherever we find it, and what we have here is a perfect disaster.

Adoptable Animals

Animal Umbrella's featured adoptable animal this week is a spayed, declawed calico named "Phoebe." She is the victim of a recent divorce and is extremely unhappy at the cattery. She is a beautiful cat with people but does not like other cats. She would be a great companion as queen of a household. The group also has other adoptable adults, including:

- "Annie," a three-year-old tiger;
- "Kalla," a two-year-old calico;
- "Skipper," a two-year-old, buff-colored male;

• "Jet," a one-year-old, all-black short-haired male.

There are many kittens to choose from including orange tiger males, all black with double paws, a gorgeous five-month-old all sleeky black female with double paws who has already been spayed, and calicos. Animal Umbrella is still in need of volunteers to help at the cattery — their "Halfway Home" in Mattapoisett, and of course can always use additional foster home locations. They did have several new volunteers added this week for which they are very appreciative. With school opening very soon, their high school helpers will need to be replaced by adults; if you can spare an hour a day, please give one of the local representatives a call:

- Mary Lou at 994-6168;
- Trudy at 990-7806;

This Week's Horoscope

by Linda Black

Aries (March 21-April 19). Follow a hunch but don't empower your fears. Take action, politely. If money is a problem, substitute love instead.

Taurus (April 20-May 20). Let a friend set you up for a date. Toss stuff you've outgrown at home. You can't afford what you want so you might have to make it yourself.

Gemini (May 21-June 21). Being respectful brings luck and possibly wealth. Friends teach what you need to know.

Cancer (June 22-July 22). Call a distant friend before you forget again. The love you receive will give you a boost. An older person demands strict obedience, not an easy task for you this time.

Leo (July 23-Aug. 22). Your money does a quick turnaround as it comes in and goes out to pay debts. Luckily, lots of fun activities are coming and most of them are free.

Virgo (Aug. 23-Sept. 22). Somebody else's idea makes you look good. You'll find lots of neat things for your home. Don't go too far into debt.

Libra (Sept. 23-Oct. 23). Follow a hunch concerning your work and find a lucky break. Your partner wants to tell you what to do, be pleasant.

Scorpio (Oct. 24-Nov. 21). Schedule a special moment for romance. It'll give you the energy you need to get through tough days.

Sagittarius (Nov. 22-Dec. 21). Emotions run high but money is running low. Not to worry. You'll be full of ideas and energy soon.

Capricorn (Dec. 22-Jan. 19). You're learning more about money management. Use it so you can afford to get something you want for your home.

Aquarius (Jan. 20-Feb. 18). Work hard for the money. Study hard for the fun of it. Stay home and relax. Let your partner carry the ball.

Pisces (Feb. 19-March 20). You're very lucky, especially in a romantic situation with a person you've known a long time.

If You're Having a Birthday This Week: Money is your theme this year, spending it, saving it and share it with others. Travel and higher education beckon.

Cuttyhunk Island including transportation, lodging and a lobster dinner, a handmade quilt, new five-speed bike, and a gift certificate for an Italian suit tailored to size. Physical therapy assistants Deanne Goulet and Lisa Fournier and occupational therapist Margaret Alden have been collecting new and used items since May with the assistance of auctioneer David Sirois.

Donations to the auction will be accepted through August 29. Anyone interested in making a donation may call the Schwartz Center at 996-3391. The Schwartz Center is a free-standing, non-profit clinic providing physical, occupational and speech therapy, Early Intervention services, and educational services to children who have developmental delays or disabilities or who are at risk for having developmental delays.

Mariner Scout Reunion

An October reunion will bring together former Girl Scout Mariners and their leaders from across the United States. Those who sailed on the brigantine *Yankee* or the *Brilliant* or were part of the *Joseph Conrad* Mariner program are especially welcome. Exy Johnson of the *Yankee* will be a special guest.

Let's be sure the Fairhaven Mariner Ship "Wanderer" is well-represented. Nancy Richardson of National Girl Scout headquarters is planning overnight and day sails along with an interesting weekend. Accommodations are available aboard the *Joseph Conrad*,

CBB Seeks "Baywatchers"

The Coalition for Buzzards Bay's (CBB) water-quality monitoring program, "Baywatchers," has begun its seventh season of water testing in the 28 major harbors and coves surrounding Buzzards Bay. The CBB is a non-profit, regional environmental organization dedicated to the protection, restoration, and sustainable use of Buzzards Bay and its watershed. The CBB works to "Save Buzzards Bay" with 60 to 80 dedicated citizens who are helping to monitor the health of the bay waters.

Baywatchers are citizen volunteers who can be sighted weekly during the early morning hours between 6:00 and 9:00 am collecting samples of the bay from piers and docks in every town from Westport to Woods Hole.

Volunteers are trained, equipped with a water quality sampling kit, and assigned a sampling site to monitor and test.

The water samples are tested for temperature, salinity, water clarity, and dissolved oxygen. The data collected is used to establish a yearly record of the water quality of the bay, evaluate the success of clean-up efforts by the surrounding towns, and highlight areas in need of restoration. In the first five years important trends in water quality have been determined and noted in a comprehensive Baywatchers Report.

Since May, core volunteers have been retrained and new volunteers are being recruited, trained and are currently out monitoring. However, volunteers are still
